PROFESSIONAL PROFILE

I'm a Denver-based UX/UI designer passionate about using design to solve problems for real people. I'm looking for a position that offers creative challenges in a team-based environment.

EXPERIENCE

BLOC.IO | UX/UI Design Apprenticeship | April 2017 - Oct 2017

- A full-time, immersive mentorship program accruing 1000+ hrs of class time & real-world projects.
- Developing UX/UI Design skills under the guidance of a Senior UX/UI & Product Designer.

ASSOCIATED BANK | Auditor | Dec 2016 - March 2017

- Received feedback from audit team seniors, directors and reiterated to arrive at collaborative solutions.
- Adapted project requirements and expectations as the project progresses and changes in scope.

CLIFTONLARSONALLEN, LLP | Associate | June 2015 - Dec 2016

- Leader of job planning meetings, presenting before the executive team including Partners and Directors.
- Developed advanced organizational skills through "busy season"; maintaining multiple projects' priorities and deadlines at a time.
